Donation Request Form

Each year, Northside Tool Rental happily donates thousands of dollars' worth of rentals to local charitable and non-profit organizations. Setting aside a monthly budget specifically for our local community, Northside Tool Rental feels that partnering with our neighbors can help them to make an even bigger difference.

Northside Tool Rental is in the unique position to offer rental donations of a huge variety of tools and equipment. Whether your event is a formal evening where our equipment can help with set up, or a clean-up of the local parks and streams that need a little tender loving care, NTR wants to assist you.

If you would like to request an in-kind donation of equipment rental, please complete our official Donation Request form below. We request at least a two week notice to ensure available inventory.

Date of the Event: _____

Organization Name: _____

Organization Address: _____

501(c)3 Number: _____ Contact Phone: _____

Email Address: _____ Website: _____

Name of Event: _____
